Dear Parent

We want to thank you for choosing The Family Resource Center Afterschool Homework Club. The number of students who participated in the 2008-2009 school year was the highest attendance we've experienced to date. We anticipate our attendance will continue to increase next year.

Along with the growing number of students, comes the need to hire additional staff in order to maintain appropriate and safe student-to-staff ratios so that we can continue to provide your children with the quality service you have come to know and trust.

As a result of associated increase in expenses to managing the Afterschool Homework Club, we will need to charge a fee for the 2009-2010 school year. We delayed this decision as long as possible but we are determined to keep the fee nominal. Please see the enclosed fee schedule.

Our goal is to continue to make it possible for all students to attend Homework Club. Therefore, if you have any questions or concerns regarding the new fee schedule please call us any time at the numbers listed below and we will be happy to discuss them with you.

Sincerely,

Jan Millis
